COLLECTING TRANSPORTATION CHARGES

§ 375.215 How must I collect charges?

You must issue an honest, truthful freight or expense bill in accordance with subpart A of part 373 of this chapter. All rates and charges for the transportation and related services must be in accordance with your appropriately published tariff provisions in effect, including the method of payment.

§ 375.217 How must I collect charges upon delivery?

(a) You must specify the form of payment when you prepare the estimate. You and your agents must honor the form of payment at delivery, except when a shipper agrees to a change in writing.

(b) You must specify the same form of payment provided in paragraph (a) of this section when you prepare the order for service and the bill of lading.

(c) Charge or credit card payments:

(1) If you agree to accept payment by charge or credit card, you must arrange with the individual shipper for the delivery only at a time when you can obtain authorization for the shipper's credit card transaction.

(2) Paragraph (c)(1) of this section does not apply to you when you have equipped your motor vehicle(s) to process card transactions.

(d) You may maintain a tariff setting forth nondiscriminatory rules governing collect-on-delivery service and the collection of collect-on-delivery funds.

(e) If an individual shipper pays you at least 110 percent of the approximate costs of a non-binding estimate on a collect-on-delivery shipment, you must

relinquish possession of the shipment at the time of delivery.

§ 375.219 May I extend credit to shippers?

You may extend credit to shippers, but, if you do, it must be in accordance with § 375.807.

§ 375.221 May I use a charge or credit card plan for payments?

(a) You may provide in your tariff for the acceptance of charge or credit cards for the payment of freight charges. Accepting charge or credit card payments is different than extending credit to shippers in §§ 375.219 and 375.807. Once you provide an estimate you are bound by the provisions in your tariff regarding payment as of the estimate date, until completion of any transaction that results from that estimate, unless otherwise agreed with a shipper under § 375.217(a).

(b) You may accept charge or credit cards whenever shipments are transported under agreements and tariffs requiring payment by cash, certified check, money order, or a cashier's check.

(c) If you allow an individual shipper to pay for a freight or expense bill by charge or credit card, you are deeming such payment to be the same as payment by cash, certified check, money order, or a cashier's check.

(d) The charge or credit card plans you participate in must be identified in your tariff rules as items permitting the acceptance of the charge or credit cards.

(e) If an individual shipper causes a charge or credit card issuer to reverse a charge transaction, you may consider the individual shipper's action tantamount to forcing you to provide an involuntary extension of your credit. In such instances, the rules in § 375.807 apply.

Subpart C—Service Options Provided

§ 375.301 What service options may I provide?

(a) You may design your household goods service to provide individual

shippers with a wide range of specialized service and pricing features. Many carriers provide at least the following five service options:

- (1) Space reservation.
 - (2) Expedited service.
 - (3) Exclusive use of a vehicle.
 - (4) Guaranteed service on or between agreed dates.
 - (5) Liability insurance.
- (b) If you sell liability insurance, you must follow the requirements in § 375.303.

§ 375.303 If I sell liability insurance coverage, what must I do?

(a) You, your employee, or an agent may sell, offer to sell, or procure liability insurance coverage for loss or damage to shipments of any individual shipper only when the individual shipper releases the shipment for transportation at a value not exceeding 60 cents per pound (\$1.32 per kilogram) per article.

(b) You may offer, sell, or procure any type of insurance policy on behalf of the individual shipper covering loss or damage in excess of the specified carrier liability.

(c) If you sell, offer to sell, or procure liability insurance coverage for loss or damage to shipments:

(1) You must issue to the individual shipper a policy or other appropriate evidence of the insurance that the individual shipper purchased.

(2) You must provide a copy of the policy or other appropriate evidence to the individual shipper at the time you sell or procure the insurance.

(3) You must issue policies written in plain English.

(4) You must clearly specify the nature and extent of coverage under the policy.

(5) Your failure to issue a policy, or other appropriate evidence of insurance purchased, to an individual shipper will subject you to full liability for any claims to recover loss or damage attributed to you.

(6) You must provide in your tariff for the provision of selling, offering to sell, or procuring liability insurance coverage. The tariff must also provide for the base transportation charge, including your assumption of full liability for the value of the shipment. This
